

TechMecca 2010 Conference is seeking your input – see survey below

SWACHA, IBAT & TCUL have joined forces again to bring you the TechMecca conference. The next conference will be January 25 & 26, 2010 at the Renaissance Austin Hotel in Austin, Texas. Currently plans are well underway to make this the best conference yet. As we continue to plan for the conference we are asking for your assistance by completing the quick survey below, as we want to make sure that we are able to meet and exceed your expectations.

The TechMecca management team will be using the results of this survey to evaluate the types of educational sessions that you would be most interested in seeing offered. Included in this survey are questions pertaining to speakers and possible educational sessions. Is there a topic that you would be interested in being a speaker for? If you have an interest, please let us know!

If you have any questions please contact Beverly Dobesh, Director of Education Services, beverly.dobesh@swacha.org or Keonia Turner, Administrative Assistant for the Education Department, keonia.turner@swacha.org.

Please visit the TechMecca website (www.techmecca.net) or the SWACHA website (www.swacha.org), as both sites will be updated as the conference draws nearer.
