

Make Saving Fun

If you're saving up for something special, like a new bike or toy, hang a picture of it on the wall. This will remind you of your savings goal every day until you reach it.

Make a list of things you want to spend your money on. Put the list in order with the things you want the most on top. This will help you decide you really want to save for.

Ask your parents to help you open your own savings account. Keep track of how much money you put in and take out to see how close you are to meeting your savings goal.

Ask your parents if you can plan a family event, like a trip to the zoo or an afternoon at a waterpark. List all the things that will cost money, like tickets, food, and souvenirs. Set a budget, and encourage everyone to stick to it when the big day arrives.
